\*Point persons will each manage one of the subgroups listed above (with the exception of Communicators who will be managed by CM coordinators). Point persons will match up tasks delegated to them by the CM coordinators with volunteers in their subgroup. They may attend occasional meetings with the CM coordinators. We are currently recruiting a point person for the babies/new parents subgroup. While the remainder of these positions are filled, we encourage those who have an interest in serving as a point person in the future to let us know by checking the appropriate box.

**Thank you for your participation!**

Please submit completed form to the church office or to the Caring Ministry Table in the foyer throughout the month of October. (Additional forms available at church or at [www.ucdsm.org](http://www.ucdsm.org).)
